

## LOKALNA PRAVILA

---

### **A-1 Določanje meje igrišča**

Out je opredeljen z navidezno črto, ki povezuje notranje robove belih količkov ali lesene ograje, gledano s strani igrišča na nivoju tal (izjema je ograja za zelenico 1., 2., 4. in 12. luknje).

### **A-4 Notranji out**

Žogica je v outu, če leži za linijo belo-zelenih količkov pri igranju 2. in 7. luknje (linija belo-zelenih količkov se na 2. luknji zaključuje na meji rdečega območja s kaznijo 4. luknje ter na 7. luknji na meji rdečega območja s kaznijo 8. luknje).

### **B-1 Določanje območja s kaznijo**

Na 16. luknji umetna stena obdaja rob jezera, meja rumenega območja s kaznijo je določena z zunanjim robom stene.

### **E-5 Alternativa udarcu in razdalji za izgubljeno žogico ali žogico v outu**

Če igralčeve žogice ni bilo moč najti, ali ko je znano ali skoraj gotovo, da je v outu, lahko igralec nadaljuje kot sledi, namesto da bi uporabil možnost udarca iz razdalje. Z dvema kazenskima udarcema lahko igralec vzame olajšavo in dropa prvotno ali drugo žogico v območje za olajšavo. Tega lokalnega pravila ni mogoče uporabiti za žogico, če je bila nato odigrana provizorična žogica.

### **E-10 Mlada drevesa**

Mlada drevesa, ki jih označujejo podporni količki, so prepovedana območja: Če igralčeva žogica leži kjerkoli na igrišču, razen v območju s kaznijo, in leži na ali se dotika takega drevesa, ali to drevo moti igralčevo nameravano postavitvev ali zamah, mora igralec vzeti olajšavo brez kazni, na podlagi pravila 16.1f.

### **F-1 Sestavni deli igrišča in nepremične zapreke**

Lesena zavetišča, namakalni sistem, oznake za razdalje v tleh, poti in ceste, kamniti zid na 2. luknji, drogovi električne napeljave na 6., 9. in 14. luknji, smetnjaki, table pri udarjališčih, lesene ograje za 1. in 4. ter 2. in 3. luknjo so nepremične zapreke. Belo-zeleni količki med 2. in 4. ter 7. in 8. luknjo so nepremične zapreke.

## **F-22 Električne žice**

Če žogica zadane žice električne napeljave na 14. in 15. luknji, se udarec ne šteje in se ponovi brez kazni.

### **Igralec je dolžan oziroma mora obvezno:**

- a. Popraviti odtrgano travno rušo po izvedenem udarcu.
- b. Popraviti poškodbe na zelenici, ki so posledica njegove žogice (pitchmark).
- c. Pograbit oz. postaviti v stanje pred udarcem peščene ovire (bunkerje) po izvedbi udarca.
- d. Upoštevati štartni čas in hitrost igranja.
- e. Upoštevati navodila osebja na igrišču (rangerja).
- f. Igranje z vadbenimi žogicami na golf igrišču ni dovoljeno.

### **Razdalje**

Razdalje 50 m, 100 m, 150 m in 200 m so označene do zacetka zelenice.

---

## **A-1 Defining Boundaries**

Out of bounds is defined by the line between the course-side points at ground level of white stakes and fence posts (except wooden fences behind the greens on 1st, 2nd, 3rd and 12th holes).

## **A-4 Internal Out of Bounds**

A ball which lies behind the white-green stakes during play of 2nd and 7th hole is out of bounds (the line of white-green stakes on the 2nd hole ends on the margin of the red penalty area of the 4th hole; and on the 7th hole on the margin of the red penalty area of the 8th hole).

## **B-1 Defining Penalty Areas**

On the 16th hole the yellow penalty area is defined on the outermost edge of the stone wall.

### **E-5 Alternative to Stroke and Distance for Lost Ball or Ball Out of Bounds**

When a player's ball has not been found or is known or virtually certain to be out of bounds, the player may proceed under the Stroke and Distance Local Rule for a penalty of two strokes, rather than proceeding under stroke and distance. This Local Rule is not available if a provisional ball has been played.

### **E-10 Protection of Young Trees**

The young trees identified by stakes are no play zones: If a player's ball lies anywhere on the course other than in a penalty area and it lies on or touches such a tree or such a tree interferes with the player's stance or area of intended swing, the player must take relief under Rule 16.1f.

### **F-1 Defining Abnormal Course Conditions and Integral Objects**

Shelter houses, water irrigation system, distance markers on the ground, paths and roads, stone wall on the 2nd hole, tower supporting power lines on the 6th, 9th and 14th hole, litter boxes, signs at teeing grounds and white-green stakes between the 2nd and 4th, 7th and 8th holes are immovable obstructions.

### **F-22 Power lines**

If a ball strikes an elevated power line during play on the 14th and 15th hole, the stroke is canceled and must be replayed without penalty.

#### **The player is obliged to:**

- a) Replace divots after the swing.
- b) Repair pitch-marks.
- c) Rake the bunkers.
- d) Keep a good pace of play.
- e) Follow the instructions of the course sta (Ranger).
- f) Playing with driving range balls is forbidden.

#### **Distances**

Distances 50 m, 100 m, 150 m and 200 m are measured to the front of the green.
